

We envision a Central Valley where LGBTQ+ folks feel safe both within our walls and out in the world. We belong here, and it's our responsibility to forge a legacy that transcends the dream of our founders. It's time to grow. To evolve. It's time to **Build to Belong.**

We are launching **Phase 1** of our capital campaign to raise **\$1M** with which we will complete the purchase of our campus and make necessary renovations to ensure better accessibility and safety for all LGBTQ+ people.

\$1,000,000 Goal ★

Reaching this goal would allow us to:

- Purchase our existing space
- Make essential renovations and upgrades to our buildings to increase accessibility.
- Enhance security and safety
- Ensure our community has a forever home

We have raised:
\$570,000

Challenge

LGBTQ+ people are under attack. Our communities continue to lack safe, supportive, and inclusive spaces free from stigma, rejection, and discrimination. The Source LGBT+ Center **campus is vital to the safety and wellbeing** of thousands in Tulare and Kings Counties.

Opportunity

Build to Belong will **secure The Source's campus as a permanent home**, ensuring stability and a lasting investment in LGBTQ+ lives. Owning this space will allow The Source to expand its impact, strengthen its future, and create a true sanctuary for the Central Valley's LGBTQ+ community.
