# Art On Fire

Fire Hydrant Art Project Benefiting  
**ARTS VISALIA VISUAL ART CENTER**

Come take a walk with us!

Lighting a spark of creativity from local artists, Arts Visalia's Art on Fire project brings art to Downtown Visalia. Replacing the traditional yellow, selected hydrants located along Main Street are canvases for innovative designs with unique themes.

As you visit each hydrant, you will see a plaque with the artist name, the title of the artwork, and the hydrant sponsor. Arts Visalia would like to thank the many local businesses and community members who made this project possible and extend a special thank you to CAL Water and the Visalia Fire Department for their help and support with Art on Fire. Arts Visalia thanks The Arts Consortium and City of Visalia for covering maintenance of the Art on Fire project.

Fun Guy Freddy.  
 Megan M

## Art Saving Lives

These beautifully painted hydrants have been used to stop a dangerous fire in downtown Visalia on Southwest Main and Floral Street. They are both fun and functional.
