Independent Family Visit to Visalia, California

We are going to Visalia. Visalia is located in the middle of California.

The city of Visalia
is over 160 years
old!

It was founded in
1852.

We will be staying
in a hotel during
our trip.

Visalia has a lot of
different hotels to
choose from.

If my family has questions about what to do in Visalia we can call or go into the Visit Visalia office.

Visalia supports the Hidden Disabilities Sunflower Program. I can pick up a lanyard or bracelet at the Visit Visalia office.

There are a lot of different things to do in Visalia.
Some places are loud and some are quiet. Some are crowded and some have fewer people. Some are inside and some are outside.

If we drive outside of
Visalia we can visit
Sequoia National Park
and Kings Canyon
National Park.

I will see huge trees.
Both parks are a good
place to go on a hike.

The biggest tree in
the world is in
Sequoia National
Park.

It is called the
General Sherman
Tree and it is 275 feet
tall.

When I get hungry, there are a lot of yummy restaurants to eat at in Downtown Visalia.

Visalia also has a lot of fast food options that I may already like.

You will have so much fun when you visit Visalia!
See you soon!
